INTERNSHIP COMPLETION CERTIFICATE

Date: July 16, 2026

To Whom It May Concern,

This is to certify that **Salsabeel Kobattey**, a B.E. Electronics & Communication Engineering student at Anjuman Institute of Technology and Management with the registration number [REDACTED] successfully completed his internship with Adsafes Solutions Pvt. Ltd. from **June 30th to July 13th, 2026**. During this time, Salsabeel worked on creating a successfully developed and prototyped automated Smart Mushroom Grow Box, integrating microcontrollers, sensors, actuators, and IoT-based environmental monitoring systems.

Programmed embedded firmware and control logic while executing complete hardware assembly, custom soldering, and end-to-end system testing and troubleshooting of the project.

Salsabeel exhibited a positive work ethic, professionalism, and a willingness to learn. His contributions were valuable to our team. We believe he has acquired valuable knowledge, skills, and experience that will greatly benefit him in future pursuits.

Best Regards,

Sharukh Khan
